-- [Avere Beauty](#), a premier med spa serving Pittsburgh and surrounding communities such as Murrysville, Export, and Greensburg, is excited to announce

a groundbreaking partnership with [Maniküre Nail Salon](#), marking a significant expansion in the city's beauty and wellness landscape. This collaboration will see Maniküre move into a newly renovated, 3,000-square-foot space at 3516 Butler Street, creating one of Pittsburgh's largest and most luxurious nail salons.

The new Maniküre location features over 15 chairs and pedicure stations, 15-foot ceilings, and dual storefronts. This expansion not only increases capacity but also elevates the client experience to new heights.

Mr. Frank Udavcak, Business Director at Avere Beauty, shared his vision for the partnership: "We're combining our resources and years of feedback from Avere Beauty with Maniküre's established brand and quality to set a new standard for nail experiences in Pittsburgh. Our goal is to provide an unparalleled service that goes beyond typical salon offerings."

The collaboration between Avere Beauty and Maniküre represents a fusion of medical-grade aesthetics and premium nail care, offering clients a comprehensive beauty and wellness experience. This partnership aligns with Avere Beauty's commitment to self-care, beauty, and confidence, principles that have guided the company since its inception.

Avere Beauty, known for its innovative anti-aging treatments and beauty services, operates two med spas in the Pittsburgh area:
