

Highly anticipated releases of the iPhone 17 Air and Samsung Galaxy S25 series

MIAMI, FL, UNITED STATES, January 15, 2025 /EINPresswire.com/ -- [TG Wireless](#), a leading wholesale distributor of mobile devices, today announced its preparations for the highly anticipated releases of the iPhone 17 Air and Samsung Galaxy S25 series. The iPhone 17 Air is rumored to feature groundbreaking augmented reality capabilities powered by the next-generation A19 chip, along with an innovative air-gesture control system. The Samsung Galaxy S25 series is expected to showcase an advanced AI-powered camera system with 200MP resolution and revolutionary battery technology offering up to 72 hours of use.

“

We have recently upgraded our B2B Wholesale platform giving our clients a more intuitive high quality wholesale cell phones purchasing experience”

Sam Hickson, CEO of TG Wireless

The upcoming releases represent significant advancements in mobile technology, and TG Wireless is committed to ensuring its B2B clients have immediate access to these innovative devices upon release. This announcement comes alongside the company's recent upgrade of its wholesale platform, enhancing the purchasing experience for business clients.

“We have recently upgraded our B2B Wholesale platform giving our clients a more intuitive high-quality [wholesale](#)

[cell phones](#) purchasing experience,” said Sam Hickson, CEO of TG Wireless. “This platform enhancement, combined with our preparation for the latest flagship devices from Apple and Samsung, demonstrates our commitment to providing superior service to our business partners.”

The company's upgraded B2B platform streamlines the wholesale purchasing process, offering businesses a more efficient way to source their mobile device inventory. This improvement aligns with TG Wireless's mission to provide seamless access to the latest mobile technology at competitive wholesale prices.
