

Arizona Mesothelioma Victims Center Now Urges a Public Utility or Power Plant Worker with Mesothelioma in Arizona to Call Them for Direct Access to the Nation's Top Lawyers for Better Financial Compensation Results

NEW YORK, NEW YORK, USA, October 19, 2018

[/EINPresswire.com/](http://EINPresswire.com/) -- The Arizona Mesothelioma Victims Center says, "We are urging a nuclear power, public utility, electric, water, or natural gas worker who has recently been diagnosed with mesothelioma in Arizona to call us anytime at 800-714-0303 to ensure they are talking directly with some of the nation's most skilled and experienced mesothelioma attorneys. We specialize in assisting public utility and power/energy workers who have been diagnosed with mesothelioma in Arizona and nationwide. Our number one priority is making certain people like this receive the very best possible financial compensation-which could exceed a million dollars."

The Arizona Mesothelioma Victims Center fears the Internet makes the process of getting direct access to the nation's top mesothelioma attorneys next to impossible. As the group would like to discuss anytime at 800-714-0303, "We provide immediate access to the nation's top mesothelioma attorneys who consistently get the best compensation for their clients. There is a direct connection between hiring the nation's most skilled, experienced, and capable full-time mesothelioma attorneys and the person with mesothelioma receiving the best possible financial compensation settlement result."

“

We provide immediate access to the nation's top mesothelioma attorneys who consistently get the best compensation for their clients.”

For more information about public utilities or energy companies in Arizona please visit an Arizona website on these topics: <http://www.azcc.gov/divisions/utilities/>

For the best possible mesothelioma treatment options in Arizona the Arizona Mesothelioma Victims Center strongly recommends the following health care facilities with the offer to help a

diagnosed victim, or their family get to the right physicians at each hospital.

* The Mayo Clinic Phoenix/Scottsdale, Arizona:
<http://www.mayoclinic.org/departments-centers/mayo-clinic-cancer-center>

* The University of Arizona Medical Center Tucson, Arizona:
<http://azcc.arizona.edu/profile/linda-garland>.

The Arizona Mesothelioma Victims Center would like to emphasize theirs is a statewide initiative available to a diagnosed victim anywhere in Arizona including communities such as Phoenix, Tucson, Mesa, Chandler, Glendale, Gilbert, Tempe, Peoria, or Prescott.

High-risk work groups for exposure to asbestos in Arizona include US Navy Veterans, power plant workers, manufacturing workers, plumbers, nuclear power plant workers, electricians, auto mechanics, machinists, or construction workers. Typically, these high-risk workers were exposed to asbestos in the 1950's, 1960's, 1970's, or 1980's.

The states indicated with the highest incidence of mesothelioma include Maine, Massachusetts, Connecticut, Maryland, New Jersey, Pennsylvania, Ohio, West Virginia, Virginia, Michigan, Illinois, Minnesota, Louisiana, Washington, and Oregon. Mesothelioma also happens in Arizona.
