

Argus to promote fertilizer use efficiency in Africa

Industry set to gather at Africa's biggest fertilizer trade conference next month

LONDON, UNITED KINGDOM, January 15, 2020 /EINPresswire.com/ -- Global energy and commodity price-reporting agency Argus will host the 11th annual [Argus Africa Fertilizer](#) conference at The Westin Cape Town South Africa, on 19-21 February 2020.

The conference is widely recognised as the leading fertilizer trade event in the region, regularly attracting over 400 attendees representing 150+ companies from across the fertilizer supply chain.

This year's agenda focuses on:

- Supporting the fertilizer value chain to improve agricultural productivity and economic growth in the region
- The movement towards customised fertilizers for smallholders in Africa
- Agricultural transformation developments and strategies for ensuring value chain efficiency across the region
- Supporting small scale farmers with their fertilizer usage in Sub-Saharan Africa
- Strategies for improving the African supply chain: From production to the farmer

A new addition to this year's conference is the [Africa Finance Forum](#) taking place on Wednesday 19 February. The African Development Bank, International Fund for Agricultural Development (IFAD) and Alliance for a Green Revolution in Africa will be assessing the varying finance options available to the agricultural sector in Africa and sharing ideas for connecting the private and public sectors to improve value chain efficiency for fertilizer use and distribution across the region.

In addition to an exhibition showcasing innovative products and services, Africa will feature a comprehensive three-day agenda, welcoming over 25+ leading-industry figures, including:

- H.E. Josefa Sacko, Commissioner, Rural Economy and Agriculture, African Union
- Mahamadou Nassirou Ba, Economic Affairs Officer - Technology, Climate Change and Natural Resources Division, United Economic Commission for Africa (UNECA)
- Karim Lotfi Senhadji, CEO, OCP Africa
- Robson Mutandi, Country Director, International Fund for Agricultural Development (IFAD)
- Edward Mabaya, Manager of Agribusiness Development, African Development Bank
- Dr Pieter Haumann, Chief Executive Officer, FERTASA

OCP, Ma'aden, Sabic, ICL Fertilizers, Transcom, Evergrow, Omnia, ETG Agri Inputs, Ab Etiproducs
