*Iconic Radio Host, John B. Wells debuts as a LIVE two-hour syndicated weeknight radio program starting December 1st 2020*

DALLAS, TX, UNITED STATES, November 25, 2020 /EINPresswire.com/ -- The iconic [Caravan To Midnight](#) with John B. Wells program debuts as a LIVE two-hour weeknight radio program starting December 1st. Wells will host the show Monday through Friday nights from 10 p.m. to Midnight, Eastern Time.

In announcing the launch of Caravan To Midnight, show host John B. Wells shared, "The nightly show launch is like coming home in away. Over the air, radio is where I started. It's my first love. It's immediate, demanding and therefore really exciting. Every show is a canvas waiting for the oil. Great radio is art, and I treat every episode as such."

John B. Wells - Host of Caravan to Midnight & Ark Midnight

Wells has been hosting his LIVE Saturday night program Ark Midnight since April 2016, but stated, "One night a week on the radio with Ark Midnight was just the beginning of something much bigger. Our fans can't get enough, our affiliates want more, and quite frankly... talk radio needs this program to thrive at night in the New Year and beyond."

Talk Media Network CEO Josh Leng remarked, "In just over seven months, fifty radio stations have signed on as Ark Midnight affiliates. The demand for John B. Wells hosted programming by radio stations is undeniable. Caravan To Midnight with John B. Wells will be a destination program in weeknights."

Wells adds, "The audience response to Ark Midnight has enabled us to register in the Top 25

most-listened-to talk programs, with only one-weekend show per week. If that's any indication, we're about to do very well by broadcasting every weeknight."

John B. Wells often shared that his shows are, "Part of a renaissance in radio -- quality content, that is fun, slightly eccentric, but not heavy on the air. We bring an introspection our audience truly appreciates. We have a team of analysts that offer invaluable insight."

Talk Media Network CEO Josh Leng offered that "John B. Wells is an expert in weaving stories, news, and interviews together with an artful thread and his instantly recognizable voice."
