The group says, "Our passion is seeing to it that a person with mesothelioma in Pennsylvania receives the best possible compensation results. The typical person we assist with mesothelioma is about 72 years old and their asbestos exposure took place in the 1960s or 1970s. Because of the Coronavirus many people who have mesothelioma were initially diagnosed with this horrible virus. The Coronavirus and mesothelioma have very similar symptoms. If the person we have described sounds like your loved one and they have just been diagnosed with mesothelioma in

Pennsylvania--please call attorney Erik Karst of the law firm of Karst von Oiste anytime at 800-714-0303. We think you will be glad you did."
