

# Nevada Mesothelioma Victims Center Appeals to a Navy Veteran with Mesothelioma in Nevada to Not Gamble on Compensation and to Call Attorney Erik Karst of Karst von Oiste to Discuss Compensation-It May Exceed \$100,000

LAS VEGAS , NEVADA, USA, June 4, 2021

/EINPresswire.com/ -- The Nevada

Mesothelioma Victims Center is appealing to the wife or adult son-daughter of a Navy Veteran who has just been diagnosed with mesothelioma in Nevada to not gamble on their financial compensation with a local car accident attorney. Rather than rolling the dice on a lawyer-law firm like this-please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303 to get specific questions about mesothelioma compensation answered along with what the claim might be worth. Navy Veterans with mesothelioma make up about one third of all people who will be diagnosed with mesothelioma in the United States each year. Representing a Navy Veteran with

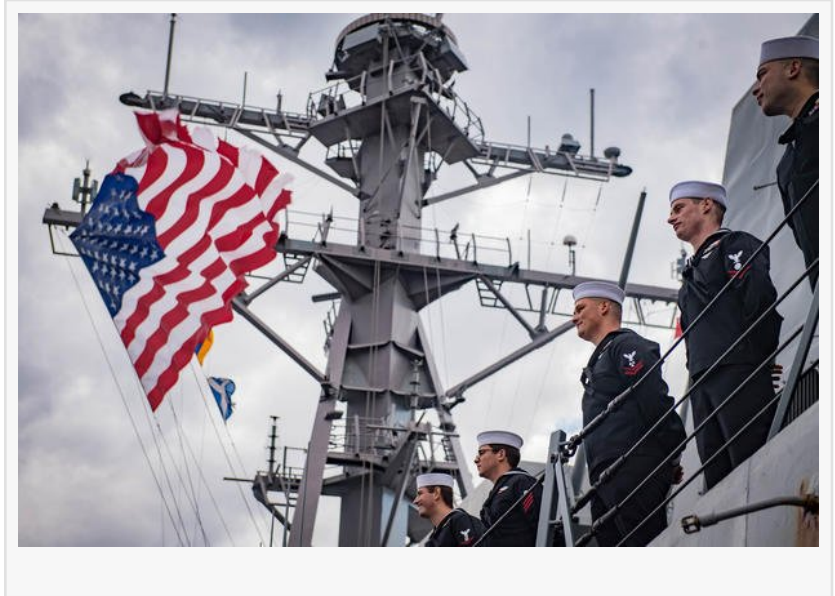

mesothelioma requires skill and experience on the part of the lawyers who represent them. Erik Karst of the law firm of Karst von Oiste is one of the nation's most experienced mesothelioma attorneys. [www.karstvonoiste.com/](http://www.karstvonoiste.com/)

The group says, "The biggest mistake we see people with mesothelioma make is acting impulsively when it comes to hiring a lawyer to represent them. We are urging a Navy Veteran with mesothelioma in Nevada or their family members to not sign up for 'free' kits, guides, do it yourself calculators or nonsense like this-unless the Navy Veteran with mesothelioma and or

their family want to be hounded night and day by lawyers they have never heard of before.

"If your husband or dad is a Navy Veteran with recently diagnosed mesothelioma in Nevada and his asbestos exposure took place while serving on a navy ship, submarine or at a shipyard prior to 1982-please call attorney Erik Karst of the law firm of Karst von Oiste anytime at 800-714-0303. Frequently mesothelioma

compensation can exceed a million dollars-providing the lawyers you hire know what they are doing. When it comes to Navy Veterans with mesothelioma-Erik Karst of the law firm of Karst von Oiste is such an attorney." [www.karstvoniste.com/](http://www.karstvoniste.com/)
