

CBD Stock Link Reservations Inc/LinkResPet (OTC: \$LRSV) @res_pet to Start Selling CBD Products on Amazon US (\$AMZN)

Link Reservations Inc. (OTC: LRSV) announces it intends start selling its LinkResPet and DailyLifeCBD products on Amazon.com.

LONDON, UK, UNITED KINGDOM, June 8, 2021 /EINPresswire.com/ -- Breaking CBD stock news from Investorideas.com Newswire- Link Reservations Inc. (OTC: LRSV), a provider of medicinal mushroom and cannabidiol (CBD) wellness products for both humans and pets, announces it intends start selling its LinkResPet and DailyLifeCBD products on Amazon.com. The Company would stock its LinkResPet cat and dog CBD products as well as its DailyLifeCBD mushroom-infused Immune product, on the online platform.

Rene Lauritsen, Link Reservations Inc CEO commented: "This is something we are very excited about as it will open up our retail avenues to include more sources of revenue. Amazon has become ever-present in our society, and a great first point of purchase for anyone looking for CBD, hemp or mushroom products. By selling on Amazon, we would be able to reach a larger audience looking for wellness solutions and so increase our revenue. Our intention is to initially stock our products on Amazon US but we hope to also operate on the UK based platform (amazon.co.uk) at a later date."

LinkResPet's products consist of CBD tinctures for dogs and cats. While DailyLifeCBD has a functional mushroom and CBD range of products including its DailyLifeCBD Immune tincture, as well as other CBD products in the pipeline. All products are made with the highest quality hemp oil and are lab tested, THC and GMO free. The hemp oil used in LRSV products comes from organically grown certified U.S. and European hemp. The Company ensures that its products undergo a rigorous process of quality control and testing using the latest scientific methods.
