Buyer Group International Inc has posted an “Executive Summary” on OTC Markets.

The research report goes towards explaining work to recover past bad actor stock transactions and to move forward re-focusing the company’s vision in one sector, Platinum Group Metals. The goal is to explore lands in Wyoming to cultivate rich deposits and reserves of Platinum and associated metals, Palladium, Rhodium, and potentially Copper, Gold, and Silver.

See BYRG public disclosure at <https://www.otcmarkets.com/stock/BYRG/profile> for full details. Completion of proposed transactions and developments are dependent upon many important contingencies, including BYRG obtaining financing and guarantees, of which there is no assurance.
