EINPresswire.com/ -- Rental Concepts, Inc., DBA Fleet Response, announced that it has acquired Paragon Subrogation Services, further enhancing Fleet Response's market leading position in its subrogation line of business.

Paragon, established in 1995 by its founder and CEO Ani Naccachian, provides multi-line subrogation and arbitration outsourcing services to self-insured entities and insurance carriers.

"The acquisition of Paragon complements our overall product offering. It adds significant scale and reach to Fleet Response's established subrogation segment, said Scott Mawaka, CEO. "The acquisition of Paragon bolsters our capabilities, and enriches our deliverable to insurance carriers, and commercial fleets."

Paragon's clients will continue to receive best in class service and benefit from Fleet Response's specialized auto third-party administration operation, which includes a long and successful track record of subrogation recovery.
