Culinary Tourism Market

Group, Mode of Booking: Global Opportunity Analysis and Industry Forecast, 2020–2027," the culinary tourism market size was valued at \$1,116.7 billion in 2019 and is expected to grow at a CAGR of 16.8% from 2020 to 2027 to reach the market size of \$1,796.5 billion in 2027. The food festival segment was the highest contributor to the market, with \$338.6 billion in 2019, and is estimated to reach \$560.3 billion by 2027, at a CAGR of 17.2% during the forecast period.

The key players profiled in the report include Abercrombie & Kent USA, Classic Journeys, G Adventures, Greaves Travel, India Food Tour, ITC Travel Group Limited, The FTC4Lobe Group, The Travel Corporation, Topdeck Travel, and Tour Radar.

Culinary tourism involves exploration or travel to remote exotic areas and indulge in consumption of various dishes and local food items to get a feel of the location. It includes unique experiences during the vacation, in which travelers interact with local populations and connect with their core values through food. Culinary travel is a kind of niche tourism, which includes numerous activities such as culinary trials, cooking classes, restaurants, food festival, and others.

Culinary tourism is witnessing exponential growth worldwide, as travelers prefer to visit

previously undiscovered destinations. Moreover, with the increase in government initiatives in the form of public and private partnership to promote tourism has led to growth of the tourism industry as a whole and has eventually benefited the culinary tourism industry. However, involvement of high risk of crime happening against tourist, unpredictable weather conditions and natural calamities may hinder the culinary tourism market growth. Irrespective of challenges, increase in social media trend has created a huge culinary tourism market opportunity, as Facebook has become the most preferred social network among travelers to share experiences.

The market is segmented on the basis of activity type, age group, mode of booking, and region. By activity type, the market has been classified into culinary trials, cooking classes, restaurants, food festivals and others. By age group, it is categorized into Baby Boomers, Generation X, Generation Y, and Generation Z. The mode of booking segment includes OTA, traditional agents and direct travel. Based on region, the culinary tourism market is studied across North America, Europe, Asia-Pacific, and LAMEA
