Experts in sustainable farming and agriculture, the father and son team of Tom and Marcos Amaro cultivate and grow top quality hemp CBD in Visalia California.

VISALIA, CALIFORNIA, UNITED STATES, May 23, 2022 /EINPresswire.com/ -- Family-owned and operated California-based [Amaro CBD](#) is pleased to announce its revolutionary line of CBD infused beauty and wellness products. With many years of experience in the industry, the Amaro family has lived and worked in Visalia for generations, and began growing hemp in 2019. “We grow the hemp ourselves and process it locally,” says Tom. “We only use food-grade ingredients, and are totally committed to providing the best quality products to our customers.”

“CBD is a powerful product,” adds Marcos. “It can be a source of health, healing and beauty. We’re proud of what we’ve accomplished, especially in view of all the glowing reviews we’ve been receiving from our customers!”

The company teamed up with expert herbalist April Lancaster for the creation of their new health and cosmetic products.
