It is more important than ever that we are uniting to spread our message. This is truly our Joshua Moment - we are called to be strong & courageous; Learn how to find that courage and what to do!”

Michele Swinick - Founder of the Save My Freedom Movement

“The Save My Freedom Movement is honored to be represented at such an important event,” commented Swinick. “This is our moment to shine, and it is more important than ever that we are uniting to spread our message. This is truly our Joshua Moment - we are called to be strong and courageous, and there has never been a more crucial moment for us to find that courage.”

Swinick is no stranger to bringing people together under the message of courage. Her Everything Home Talk Radio Show has been on air since 2018, providing its audience with insightful, thought-provoking expertise from leaders across all industries. Due to popular demand, a TV Show

was added in January of 2022. Now, her latest project will be featured at the Defend Your Voice summit, equipping Conservatives with tools and information to fight the coordinated media attacks on traditional American values.

The Save My Freedom Movement is an all-in-one resource platform that brings together like-minded small business owners, entrepreneurs, influencers, community leaders, organizations, groups, media & purpose-driven people. Its mission is to empower people to meet like-minded conservatives, support pro-freedom businesses, and learn tips and Take Action Items from industry experts. The collaboration with Defend Your Voice allows the Save My Freedom Movement to reach an even wider audience, equipping more Americans with the resources and support they need to find their Joshua Moment.

JOSHUA 1:5-9 "This is my command – be strong & courageous! Do not be afraid or discouraged. For the Lord your God is with you wherever you go."
