## ABOUT PlazaBridge Group

PlazaBridge Group offers advanced analytics platform cloud solutions, product invention, commercialization (advanced marketing, sales and business development strategies) and technology integration.

Gameday Decisions® Platform as a Service (PaaS) uses a company's "virtual artifacts" to assess, manage and change people and processes. Through the creation of next

generation AI and Machine Learning tools, the platform creates a comprehensive picture of how well your product innovation process is evolving in real time.

Since the dog days of 2008, PlazaBridge Group has been helping companies bring innovation

front and center to their company's success. Applying unique process improvements to all aspects of revenue growth, our experts deliver on the promises of organizational impact, market advantage and the potential of innovative product strategies. When your revenue is in focus, asking PlazaBridge Group associates to work with your existing teams can be a formula for lowering risk and improving opportunities to expand markets, product lines and internal business development processes.
