The ready meals market consists of sales of ready meals by entities (organizations, sole traders, and partnerships) that are convenient, inexpensive, fast, and pre-portioned. The ready meals are complete meals that only require heating before eating. They are ready to eat and already cooked or prepared. They are priced at a lower price and hence are cheap and convenient to use.

[Global Ready Meals Market Trends](#)

The increasing demand for fresher and more convenient nutritionally compliant dietary standards are one of the key ready meals market trends gaining popularity. For instance, in September 2020, FiveStar Gourmet Foods Ltd launched the Simply Fresh2GO ready-to-eat meals product line to deliver both in retail and school food services channels to meet strict national school lunch dietary standards. It maintains that each item in the line has a balanced complete meal including protein, grains, fresh vegetables, and fruits.
