“

If fury had a name, it would be his.”

ML Nystrom, Author

The Price of Atonement follows Boots. Everyone has a breaking point—even him. Abandoned by his club, Boots is trying to find a new place and new purpose in his life. His past plagues him with darkness, and if he faces it, there's no turning back to the light. The brightest spot in his black

universe is another man's woman, Mama J.

We also meet "Mama J" Janice, an everyday woman who is struggling to make ends me for herself and her children. Day after day, night after night, her life revolves around her identity as a

mother and seldom as a woman. Then one day she meets Boots. Mama J discovers what it means to be Janice again, and Boots is desperately seeking to pay for his former sins. Readers will be left with the question: Is the price of atonement too high? One thing is for sure, they will meet a darker breed of bikers in bestselling author ML Nystrom's gritty The Dutchmen MC series.

"I'm hooked on this new series. This story kept me on the edge of my seat. HIGHLY HIGHLY HIGHLY RECOMMEND!" — The Power of Three Reads

"What a terrific series! I loved just about every bit of this fast-paced romantic suspense. It's everything I want in a MC story. Full of action, danger, illegal activities, heinous villains, evil rivals, sassy club girls, brutality and bloody violence. Yes! Everything fantastic about a biker romance. A must-read!" — Amazon customer review.

Romantic suspense bestselling author ML Nystrom had stories in her head since she was a child. All sorts of stories of fantasy, romance, mystery, and anything else that captured her interest. A voracious reader, she's spent many hours devouring books; therefore, she found it only fitting she should write a few herself.

ML has spent most of her life as a performing musician and band instrument repair technician, but that doesn't mean she's pigeon-holed into one mold. She's been a university professor, belly dancer, craftsperson, soap maker, singer, rock band artist, jewelry maker, lifeguard, swim coach, and whatever else she felt like exploring. As one of her students said to her once, "Life's too short to ignore the opportunities." She has no intention of ever stopping... so welcome to her story world. She hopes you enjoy it!
