ABOUT Azumo

At Azumo, we collaborate with customers to create high-quality solutions in ways that few businesses can match. We are a software developer that provides project-based development and staff augmentation for difficult-to-find software development positions. We do all of this as a distributed company because I believe as many others do that talent is everywhere.

We've had the pleasure of working with some fantastic clients from a variety of developing, fast-growing start-ups to household names like Facebook, Twitter, and Discovery Channel at Azumo. We've also been fortunate enough to observe the inner workings of over 100 client businesses from a variety of industries. I've drawn on those experiences to improve and grow Azumo to what it is today. I've also noticed that the one thing that stays constant among all of our clients at Azumo is a desire to develop amazing software

products and services using technology, just like we do.

Based in San Francisco, Azumo is a top-rated nearshore software development company. Customers work with us to scale their software development efforts and build high quality web, mobile, data and cloud applications.

At Azumo, we build intelligent applications. We are passionate about technology to solve complex problems for our customers around the globe. From our proprietary AI-based solutions like, HealthyScreen.ai, Baneka NeuralDB, and myNLU to custom software development solutions that have helped our customers scale their businesses, we are focused on innovation through our nearshore development capabilities.

Chike Agbai joins other leading CEO's, founders, and thought leaders that have participated in this informative and popular interview show. In the interview with Andy Jacob, Chike Agbai discusses the newest offerings of Azumo, what makes the company different than other firms, and shares thoughts on leadership and entrepreneurship. Chike Agbai joins other leaders building strong and compelling companies that have been invited to participate in the exclusive series

Andy Jacob, CEO of DotCom Magazine says, "The interview with Chike Agbai was amazing. The success of Azumo is a true testament to their team and their people. It was a real honor to have Chike Agbai on the video series.

Andy Jacob says, "It's the goal of DotCom Magazine to provide the absolute best in what entrepreneurship has to offer. We have interviewed many of the world's leading entrepreneurs in their respective field. It takes amazing leadership to build a company like Azumo. There are so many powerful and talented entrepreneurs throughout the world,
