

'American Badass: A Michael Madsen Retrospective' FabTV Exclusive with Michael Madsen

HOLLYWOOD, CALIFORNIA, UNITED STATES, August 16, 2022

/EINPresswire.com/ -- EXCLUSIVE interview with [Michael Madsen](#) about 'American Badass: A Michael Madsen Retrospective' — The First Glimpse of New Soul-Baring Documentary!

Directed by Dominique Milano, American Badass: A Michael Madsen Retrospective is exactly what the title promises. Through interviews with several colleagues and family members and many stories told directly from the man himself, the documentary is an examination of Madsen's life and career. Structurally, it is more associative than linear, going back and forth between a troubled youth and his breaking into the acting world.

Michael Madsen details who he chose for his documentary with Fernando Escovar of FabTV

“

A true examination of Madsen's life and career.”

Fernando Escovar

Of course, the interviews with the likes of Quentin Tarantino, John Travolta, Daryl Hannah, Madsen, Ron Perlman, Robert Forster, and Chuck Zito, among many others, are interspersed with clips from various movies, both starring Madsen and those that inspired him. In addition, old family photos and reenactments are woven

throughout the tales of him growing up, be it from his sisters Virginia and Cheryl, or from the writer/actor himself. #michaelmadsen #fabtv
