Major market players

- CLARINEX Group
- Carbon Activated Corp.
- Cabot Corporation
- ADA-ES, INC.
- Jacobi Carbons AB
- Siemens Water Technologies Corp.
- Kureha Corporation
- Calgon Carbon Corporation
- Carbo Tech AC GmbH
- Carbon Resources LLC

Major Inclusions-

- Qualitative as well as quantitative assessment of the market on the basis of the detailed categorization involving both the economic and non-economic factors.
- Analysis at country and regional level, which portrays the share of the product or service in different regions.
- Elaborative company profiles section, which provides different pointers such as key executives, business enactment, company overview, product/service portfolio, R&D expenditure, current scenario, and prime strategies of the key market players.
- The forecasted market outlook of the acrylic acid market based on recent developments, which incorporate the analysis of drivers, market trends, and growth opportunities.
- The COVID-19 impact on the acrylic acid market
- Post-sales support and free customization
