

Landscape Designer's Book on Love Joins the Frankfurter Buchmesse, in Germany

FRANKFURT, GERMANY, October 19, 2022 /EINPresswire.com/ -- Andrea Oliva Florendo's [Romance of the Enclosed Garden: Song of Songs](#) is a theological discourse focused on the nature of love and marriage based on in-depth studies of the Song of Songs. Andrea's book is set to appear as part of Bookmarc Alliance's exhibit for the Frankfurter Buchmesse, the world's largest Book Fair, slated for October 19-23.

As an artist and a designer of devotional Mary Gardens, Andrea always had an affinity with the earth. She believes that a garden strikes a chord deep within our nature. It was during a pilgrimage to Anzio, Rome that she heard a delicate whisper

saying: Learn about my Word through the garden. The experience became the seed of the idea for writing the book. The earth is not just the source of nourishment for every source of life but it's also the manifestation of

God's word; thus every experience with the earth could be a trail that leads to God.

Andrea Oliva Florendo, M.A., DDA, author of *Liturgy of Flowers in a Mary Garden* is an Adjunct Associate Professor of Theology and Religious Studies, at the College of Liberal Arts and Sciences, St. John's University. A visual artist and landscape designer, she runs a Mary Garden Guild at a monastery and coordinates a Mary Garden Academic Service-Learning on campus.
