

Musk Gold partners with Clean Energy Solar Direct

Partnership will Help Reward the Everyday Person for Referring Solar

CA, UNITED STATES, November 2, 2022 /EINPresswire.com/ -- Musk Gold is proud to present our latest Solar Partnership with Clean Energy Solar Direct (CESD), a California based solar provider. CESD was founded in 2018 and services 30+ states across America with a combined experience of 20+ years in renewable energy. They are an official Member of the California Storage and Solar Association, a Member of the Southern California Minority Supplier Development Council, a Business Network Alliance Ambassador and an Official Member of the National Association of Hispanic Real Estate Professionals.

CESD will assist in the Musk Gold initiative to incentivize and reward the everyday person to adopt solar to help limit the carbon footprint of humanity, in a simple and decentralized way.
