The Prize Structure for the Weekly Big Matches

The total that bsbltyping.com gave away in Cash Prizes in 2021 was £1,063 with the highest prize earner being YIHAO from Malaysia who deservedly won £200 in total. The year was troubled by technical issues in getting the coding for all 9 of the Big Matches working correctly and only 2 Big Matches took place, this set back the schedule and reducing the overall cash prize pot. However, once these technical issues are resolved the bigger prize value bsbltyping Big Matches will resume and be regular feature in future.
