

Fraud.net wins Gold at Stevie American Business Awards

The intelligent fraud solution won Most Innovative Tech Company for their Know-Your-Vendor application.

NEW YORK, NEW YORK, UNITED STATES, December 21, 2022

/EINPresswire.com/ -- Fraud.net, an intelligent, modular fraud prevention platform, was recently awarded a Gold Stevie Award for Most Innovative Tech Company at their annual American Business Awards.

Honoring organizations of all types and sizes and the people behind them, the Stevie Awards recognize outstanding performances in the workplace worldwide. Of thousands of entrants, Fraud.net won for its innovative solution, streamlining the onboarding process for procurement teams worldwide.

Fraud.net co-founder Cathy Ross shares, "We are proud to be recognized for our [KYV/KYC solution](#) and share the benefits it has had for our clients. With supply chains always evolving and new threats emerging, we're ecstatic to be acknowledged as an innovator in automating supply chain compliance and mitigating risk."

Details about The American Business Awards and the list of 2022 Stevie Award winners are available at www.StevieAwards.com/ABA.

About the Stevie Awards:

Fraud.net wins Most Innovative Tech Company for their Know-Your-Vendor application.

Fraud.net, a leader in AI-powered fraud prevention, has been selected as a finalist for Red Herring's Top 100 North America award, one of the technology industry's most prestigious prizes.

The American Business Awards are the premier business awards program for companies operating in the U.S. Market. Created in 2002, the Stevie Awards honor and promote the achievements and contributions of organizations and professionals across multiple industries and global markets.
