KEY WEST, FLORIDA, THE UNITED STATES OF AMERICA, January 1, 2023 /EINPresswire.com/ -- Show Your Support of Florida's Correctional Officers and Detention Deputies by Signing These Three Petitions to be Delivered to The Florida Legislature in 2023.

Tuesday, January 31st, 2023 will be the last day to sign these three petitions!!!!

2022 was a great year for LEOs in Florida, but aside from raises that were greatly appreciated although an economic necessity in the face of record setting inflation, Correctional Officers and Detention Deputies were completely left out and forgotten in several of the pieces of "landmark" legislation passed by the 2022 Florida legislature on behalf of "law enforcement officers".

In 2023, The Thin Silver Line Alliance is focused on providing excellent opportunities for Members of the Florida House of Representatives and the Florida Senate to take the right and necessary actions for Corrections statewide.

The issue of recognizing Correctional Officers and Detention Deputies as both part of the law

The House of Representatives is the lower house of the state legislature. It consists of 120 members elected from single-member districts, on a partisan basis, to two-year terms. The Senate is the upper house of the state legislature. The Senate consists of 40 members.

If Correctional Officers and Detention Deputies are not treated with equality and respect and do not receive the recognition they deserve this will lead to a loss of morale, decrease in retention, increase in turnover, and to an inevitable degradation of conditions in our state's prisons and jails that will directly compromise the safety, security and well being of everyone that works in our state's prisons and jails. If the conditions of and in our state's prison and jails degrade the well being of every inmate in our state's prisons and jails will be put at an ever greater risk and ultimately the degradation of conditions at and in our state's prions and jails would put every resident of the State of Florida at an increased risk and this is especially true in the communities where our state's prisons and jails are located.

Your Support of These Petitions Is Critically Important and Greatly Appreciated!!!

Thank you to everyone that has signed any of the three petitions benefiting Correctional Officers and Detention Deputies in the State of Florida.
