NEW YORK CITY, NEW YORK, USA, January 17, 2023 /EINPresswire.com/ -- Samera Entertainment gives you an intimate look at the new album and book from Sophia Dias.

Based in Chicago, Sophia Dias has been working hard as a designer, author and recording artist for a number of years. As the survivor of an abusive household, Sophia Dias has learned much from her traumatic experiences, and she is now using her newfound freedom to tell her harrowing story through both song and the written word.

Sophia Dias Bullet Proof

Sophia's new album and book both share the title "Bullet-Proof", and both share vivid illustrations of her vitriolic past, which took over a decade for her to escape. The album was co-produced by Clive Hunt, and backed by leading Jamaican musicians at Tuff Gong Studio in Kingston, Jamaica. This musical collaboration was a match made in heaven that allowed Sophia to pour her heart and soul into each song on the seven track album.

"It's really a story of hope, no matter what trials you may be facing there is a possibility of healing. The trauma and suffering that I endured and rose above it through inner strength, God's blessings and help from people across the globe is a testimony to inspire others – Sophia Dias

Even though Sophia endured an unconscionable amount of adversity over the last decade, she still managed to withstand her hardships through raw determination and unwavering faith. Due to this endurance, Sophia soon realized that she could inspire others through her example, and that's when the foundation for Bullet-Proof was set.

Women are capable of enduring much more than we think we can. 'Bullet-Proof' is a relatable story which will connect with many women out there."
