

CHI Professional Development Revolutionizes Continuing Education

CHI Professional Development Revolutionizes Continuing Education for Mental Health Professionals, Providing Specialized Courses and Flexible Learning Formats.

BELLPORT, NY, UNITED STATES, May 20, 2023 /EINPresswire.com/ -- Empowering Mental Health Professionals: [CHI Professional Development](#) Revolutionizes Continuing Education

CHI Professional Development, Inc, a pioneer in the field of continuing education for mental health professionals, is proud to announce its commitment to providing specialized courses tailored to the specific needs of practitioners. With a focus on practical skills, therapeutic practices, valuable knowledge, and state-specific requirements, CHI Professional Development aims to simplify the process of finding and taking relevant courses for mental health professionals.

Founded by Michael Chiappone, a Licensed Clinical Social Worker, CHI Professional Development was born out of a deep understanding of the challenges faced by mental health practitioners. As a social worker, Michael recognizes the need for a platform that offers high-quality, easily accessible courses in the field. The vision was to create a highly respected national provider of continuing education and a space where professionals could enhance their skills and acquire new knowledge. This vision is now a reality. You can read the many reviews here. [CHI Professional Development Reviews](#)

"At CHI Professional Development, we believe that your time is precious and should be used to take classes that benefit your practice and those you serve," said Michael Chiappone, LCSW -

CHI Professional Development
CONTINUING EDUCATION
GROWTH & WELLNESS

Growth Comes from Knowledge

CEO/Founder. "Our mission is to provide mental health professionals with a platform that offers practical and relevant courses, streamlining the continuous education process."

Recognizing the challenges of managing a demanding work schedule while pursuing professional development, CHI Professional Development offers flexible formats catering to busy professionals. The platform provides [self-study](#) courses and [live-online interactive](#) classes, enabling learners to access high-quality education without compromising other commitments. These formats offer the same level of interaction as in-person classes, allowing participants to engage with instructors and fellow learners while attending from the comfort of their homes or offices.

CHI Professional Development has been recognized as an Approved Continuing Education (ACE) Provider by the Association of Social Work Boards as a testament to its commitment to excellence. Additionally, CHI maintains its provider status in New York State for Social Workers, Licensed Mental Health Counselors, and Substance Use Disorder counselors. This recognition reflects the organization's dedication to delivering top-of-the-line education that meets the highest quality and professional development standards.

Michael Chiappone, LCSW
