One of the most attractive features of AOJ Language School is the ease of communicating with and learning from the teachers. We believe that this can be conveyed by actually taking a class, so we have decided to hold a free trial class for the N4 level class "Ro-class". On the day of the event, a Japanese teacher who is actually in charge of the class will give a lecture. The free trial lesson will last 45 minutes, but the actual live class after enrollment will last 90 minutes each time.

Advance registration is required. If you wish to attend, please confirm the date and time and apply by e-mail or by using the inquiry form on our website.
