

IBA Group's TapXphone Payment Solution Hits 100K User Milestone

IBA Group's contactless payment solution that transforms mobile phones into full-fledged banking terminals has reached a milestone of 100,000 business users.

PRAGUE, CZECH REPUBLIC, May 24, 2023 /EINPresswire.com/ -- [TapXphone](https://www.einpresswire.com/2023/05/24/tapxphone-iba-group-reaches-100000-users/), IBA Group's innovative contactless payment solution that transforms Android mobile phones into full-fledged banking terminals, has reached a milestone of over 100,000 users.

Introduced in 2019, tapXphone has been continuously evolving. To date, it is available even in previously challenging or inaccessible locations. With the tapXphone app, businesses can accept payments for goods and services without the need to invest in POS terminals. End users can enjoy a safe and smooth payment experience with their bankcards, smartphones, or other NFC devices like rings, bracelets, and keychains.

“

Over 100,000 entrepreneurs are now accepting payments through our mobile app. They can be confident that they are using a reliable, convenient, and secure service that helps grow their businesses.”

Vadim Smotryaev, Division Director at IBA Group

Currently, customers from various corners of the world, including individual entrepreneurs, artisans, and traders, as well as small and large-scale businesses across Europe and Asia actively embrace tapXphone. The application processes millions of transactions originating from countries such as Ukraine, Kazakhstan, Moldova, Slovakia, Latvia, Lithuania, Estonia, Serbia, Bulgaria, Azerbaijan, Greece, and Kosovo.

While working on tapXphone, IBA Group prioritized security and met the stringent requirements of international payment systems. The company certified the solution to the PCI CPoC security standard and preparations are in full swing for certification to the latest PCI MPoC security standard.

Vadim Smotryaev, Division Director at IBA Group, said, "I am delighted that over 100,000 entrepreneurs are now accepting payments through our mobile app. They can be confident that they are using a reliable, convenient, and secure service that helps grow their businesses and makes the payment process easy and enjoyable."

IBA Group remains committed to the ongoing development of tapXphone, aiming to enhance the payment experience for its expanding worldwide customer base. In addition, plans are underway to launch the application in more countries. Unlock the potential of tapXphone for your business by visiting <https://tapxphone.com>.
