“I think [commercial auto](#) insurance is in crisis nationally. While other insurers are scaling back their commitment, we are ramping up ours,” says John Mason, CEO of Chenango Brokers. “Our mission is to be a reliable partner for our customers, focusing on personalized service rather than a one-size-fits-all approach. We understand that the exit of these big insurers can be disruptive, and we’re here to assure our customers that their coverage and peace of mind are our top priorities.”

In light of recent market shifts, Chenango Brokers would like to affirm their unwavering dedication to supporting local insurance agencies and their agents around the country (especially in CA, FL, LA, NJ and NY), particularly in the commercial auto sector.
