Enterprises ("CanAm") is thrilled to announce that the United States Citizenship and Immigration Services ("USCIS") has approved the CanAm Texas Regional Center's [Form I-956F](#) (Application for an Approval of an Investment in a Commercial Enterprise) for the Jefferson Energy Project II on June 21, 2023. This significant achievement marks the first Form I-956F approval for CanAm since the enactment of the [EB-5](#) Reform and Integrity Act ("RIA").

"We are delighted to receive USCIS's approval of the Form I-956F in a timely fashion, which reflects our dedication to compliance with the RIA and demonstrates our experience in navigating the complex immigration laws," stated Walter S. Gindin, General Counsel at CanAm Enterprises. "This milestone underscores CanAm's longstanding track record of successful EB-5 investments and our commitment to offering quality projects to immigrant investor-families," added Gindin.

Jefferson Energy Project II meets the requirements of the Regional Center Program under the RIA. Most importantly, USCIS's decision will also have binding effect for the adjudication of related Form I-562E Petitions filed by investors participating in the project.

Administered by the U.S. Citizenship and Immigration Services (USCIS), the EB-5 Visa Program provides qualified foreign investors and their family members the opportunity to earn conditional visas in return for investing \$800,000 in job-creating development projects located in high-unemployment areas of the United States. The new EB-5 Reform and Integrity Act of 2022, which became

effective on May 14, 2022, instituted a host of integrity and other rules to enhance the EB-5 Program.
