“

At Tactical Management, our journey doesn't end with investment. We envision a legacy of prosperity for each venture.”

Dr. Raphael Nagel

visionary and sector-agnostic turnaround investor, emerges as a beacon of opportunity amidst adversity. With an unwavering commitment to turning obstacles into stepping stones, this dynamic firm is reshaping the corporate landscape, one venture at a time.

At the heart of Tactical Management's identity lies a passion for reimagining possibilities, seeking the untapped potential in businesses that others may overlook. From

carve-outs of large corporations to small and medium-sized companies in special situations, Tactical Management sees boundless opportunities in every challenge.

With a focused lens on businesses with an annual turnover below \$100 million, low profitability, and a scalable B2B business model, Tactical Management is equipped to transform struggling enterprises into thriving market players. Armed with an entrepreneurial mindset, renowned restructuring experience, and a global network, the team breathes life into promising ventures.

"Our approach is grounded in holistic understanding and strategic vision," says [Dr. Raphael Nagel](#), Executive Chairman & CEO at Tactical Management. "Acquisition marks the beginning of our transformative journey. Our M&A team meticulously identifies and evaluates long-term investment prospects, unlocking hidden value and propelling companies towards profitability."

Emphasizing the essence of hands-on operational experience, Tactical Management's Task Force works closely with portfolio companies to implement optimization strategies. In tandem with the Transactions team, they drive cultural change, igniting a spark of innovation that sets companies on the path to success.

The Operations team plays a vital role in fueling growth, capitalizing on synergies across diverse industries, and exploring new business areas. With a vision for long-term strategic market positioning, Tactical Management catapults its portfolio companies to greater heights.

"At Tactical Management, our journey doesn't end with investment. We envision a legacy of prosperity for each venture," adds Dr. Raphael Nagel. "Our meticulous exit strategies encompass trade sales, Add-on Acquisitions, IPOs, and listing individual holdings. Our unwavering focus is to secure the best outcomes and uphold a trajectory of success for the long term."

As Tactical Management forges ahead, its trailblazing spirit continues to inspire the investment landscape.

Empowering businesses to rewrite their narratives and embrace the art of transformation, Tactical Management leaves an indelible mark on the world of turnarounds.
