Dr. Jennifer London stated. "We believe this book will inspire readers to examine their own unique character strengths to help bolster their courage in making a positive impact in their lives, careers, and communities. Readers will be fascinated by the dimensions of character and the diversity of bravery in these incredible people who made or changed history." Throughout the ages, rare individuals have taken monumental risks to stand up for a cause or belief. From Thomas Jefferson's persuasive pen that fueled the American Revolution to George Washington's call of duty in leading colonial forces against the British, their courage and strength of character are undeniable.

Robert E. Lee fought loyally for Virginia's interests, while Abraham Lincoln unified the painful divide with his empathetic spirit. Harriet Tubman emancipated slaves through her audacious actions, and Frederick Douglass fearlessly fought for freedom at the risk of his own life. Susan B.
