"Music is a multicultural language," says Stokoff. "The song is an invitation to celebrate life, accept our differences, and enhance our similarities. We all embrace the same values as human beings, like the importance of friendship, family, and respect, which should be our beacon for building a better place in this crazy world. It was a blast to write the song in English with Brian White and Phil Barton, and also to create a Spanish version simultaneously. We achieved something unique and different in a world where you are expected to follow only the trends. I strongly believe in following my unique and personal path. So, 'Welcome to La Fiesta!'"

This party anthem combines a Country vibe with Latin influences to create the perfect invitation for a fun-filled fiesta.

Lyrics from "Welcome to La Fiesta":

Luces de neón,  
Se siente la emoción  
Este es un rumbón  
Welcome to La Fiesta  
Siente el sabor  
El sonido del tambor  
Un buen Country Latino, el ritmo que se queda  
Es La Fiesta  
Tu copa arriba, con buena vibra  
Cerveza, Tequila, brindemos todos juntos por la vida

Arriba, abajo, en el centro y pa´ dentro, no se  
escucha

Welcome to  
Welcome to La Fiesta

Stokoff's debut release in the US market, "Country Music Hits En Español Y Mas", saw almost two million streams on Spotify across the songs. Since his initial Spanish adaptations to country hit, Stokoff has landed his music on Apple Music Country Host Ty Bentli's curated Apple Music Playlist, CMT with the premiere of his music video for his track, "Perfecto", as well as the official Academy of Country Music's own New Music Friday and Fresh Music Friday playlists.
