

mTuitive CEO Colin Murphy to Speak on the Role of Structured Data at the Next-Gen Pathology Conference in Boston

Learn how Digital Pathology Benefits from Technological Advances in Data Reporting

CENTERVILLE, MA, US, October 16, 2023 /EINPresswire.com/ -- [mTuitive](#), a leading provider of data enablement solutions for healthcare, is a silver sponsor of the [Next-Gen Digital Pathology conference](#), and mTuitive CEO Colin Murphy will speak at the conference, which will be held in Boston's Seaport District October 19-20.

It is fascinating to see the potential of deep learning algorithms and AI in the field of digital pathology."

Colin Murphy, CEO, mTuitive

The conference is designed for having interactive discussions in slide-free imaging, enterprise-wide solutions, and algorithms using machine learning and artificial intelligence that are being developed to improve

diagnoses, guide treatment, and address a wide range of medical challenges.

Murphy commented, "I look forward to joining the impressive line-up of speakers at the Next-Gen Digital Pathology conference. In my session, we'll explore the role of structured data in digital pathology, both today and tomorrow, and how reporting systems and analysis will help to provide context to data. Looking ahead, it is fascinating to see the potential of deep learning algorithms and AI in the field of digital pathology."
