

# City Employees Charging E-bikes with Flower Turbines Systems

*The city of Rotterdam made Flower Turbines' Charging Stations available for its employees at one of their facilities to be able to charge their e-bikes.*

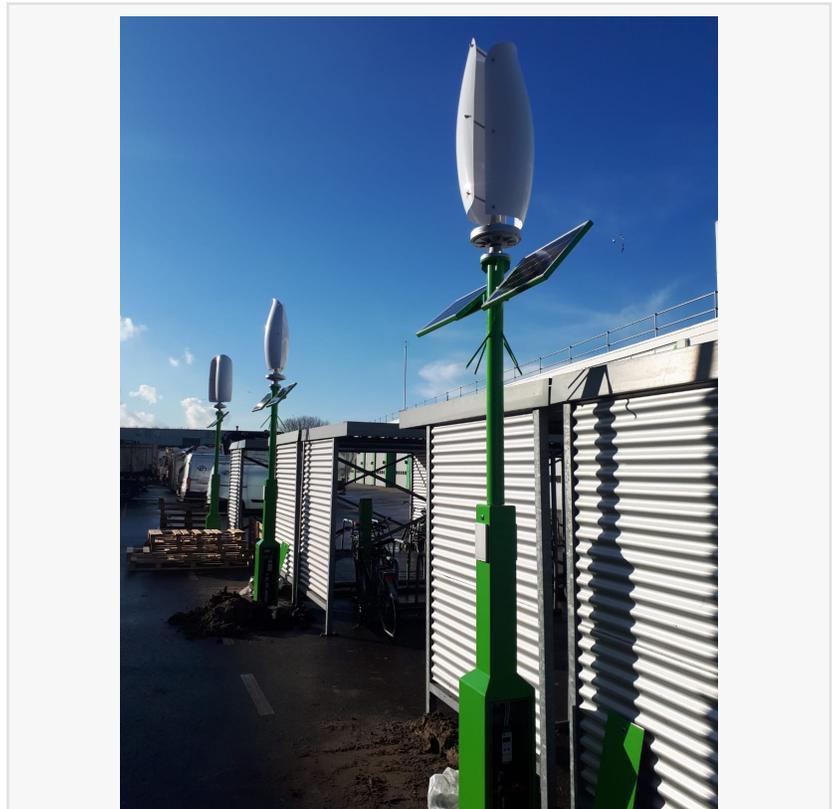

ZOETERMEER, NETHERLANDS,  
November 2, 2023 /EINPresswire.com/  
-- The city of Rotterdam made [Flower Turbines'](#) wind/solar off-grid [Charging Stations](#) available for its employees at one of their facilities to be able to charge their e-bikes.

The Charging Station is used to generate energy off-grid with wind, solar, and a battery to charge small mobility and electronic devices. They are quiet, bird-friendly, safe, and durable. More information on the charging stations is available at <https://www.flowerturbines.com/chargingstations>

View the video here:
