“

By providing our audience with access to some of the most influential business authors, we create a repository of knowledge that's unparalleled,”

Jeffrey Hayzlett - Chairman and Founder of the C-Suite Network™

world's most trusted network of C-Suite leaders, is announcing the launch of the "C-Suite Best Seller List™," an innovative platform designed to revolutionize the landscape of non-fiction writing. This groundbreaking initiative sets a new standard in business literature, providing unparalleled exposure and opportunities for authors to connect with an influential audience.

More than just a best-seller list, the C-Suite Best Seller List™ introduces a unique way for non-fiction writers and authors to extend their reach and gain targeted exposure to a highly influential group of C-Suite leaders. Authors

whose books meet the criteria for inclusion in the C-Suite Best Seller List™, can tap into new audiences using the Network's resources across social media, book signing opportunities, purchase options, and media interviews, reaching broader, more engaged audiences.

The notoriety of the C-Suite Best Seller List™ lies not only in the volume of readers it can reach, but also in the quality of its readership. With a reach of hundreds of thousands, the C-Suite Network™ is comprised of influential decision-makers, creating a domino effect leading to long-term success, strategic partnerships, and pivotal business opportunities.

For authors that qualify, the benefits of being featured on the C-Suite Best Seller List™ are multifold. Beyond significant exposure and the potential for increased book sales, recognition on this list positions an author as a thought leader in their field. It opens doors to networking opportunities, speaking engagements, and collaborations with top-tier business professionals, while giving audiences the opportunity to purchase copies of the book through the site. Furthermore, the endorsement from a reputable and influential organization like C-Suite

Network™ adds a layer of credibility and prestige to both the author and their work.

“At the C-Suite Network™ we take pride in being on the cutting edge of business. By providing our audience with access to some of the most influential business authors, we create a repository of knowledge that’s unparalleled,” said Chairman and Founder of the C-Suite Network™, Jeffrey Hayzlett. “As a best-selling author myself, the value we are able to provide creates multiple opportunities, not just for the authors, but our own community as well.”

The ambition driving the C-Suite Best Seller List™ is to become the leading non-fiction best-seller list globally – a goal that directly aligns with the network's commitment to excellence and its focus on catering to a discerning, influential audience.

“With decades of experience in delivering on the credibility of top media assets, thought leadership and international award programs, there is no question that this platform will create and celebrate extraordinary success in the non-fiction space,” said Tricia Benn, CEO of the C-Suite Network™. “In the ever-changing business landscape, C-Suite Network™ is dedicated to using its credibility, influence and capabilities to elevate great businesses and their brands to deliver exceptional outcomes.”

This new initiative marks a significant milestone in business literature, promising to elevate authors and their works to unprecedented levels of recognition and influence.
