CONSULTING

“Mendelson is a great partner,” said Charlie Kimbell, Director of Sales and Marketing at MISys. “Mario and the rest of the team lead the country in bringing inventory and manufacturing solutions to companies using QuickBooks. “We are thrilled that they promote MISys Manufacturing as one of the arrows in their quiver of software solutions.”

About MISys Inc.:

MISys Inc. Develops software to help manufacturers thrive by adding critical functionality to entry level accounting systems at an affordable price. The employee-owned company was founded in 1977 and has been recognized as a top independent software vendor by Sage Accounting and Intuit QuickBooks. MISys recently introduced “MISys on Azure” making it easy to deploy their robust software application, MISys Manufacturing, in the cloud on Microsoft Azure. The Top Partner list recognizes outstanding collaborations with industry experts and resellers committed to addressing the needs of manufacturers.
