

Future Electronics Hosted a Market Intelligence Seminar in Dortmund, Germany

Future Electronics hosted the first edition of the Market Intelligence Seminar in Dortmund, Germany.

MONTREAL, QUEBEC, CANADA, February 19, 2024 /EINPresswire.com/ -- Future Electronics, a leading global distributor of electronic components, recently hosted the first edition of the Market Intelligence Seminar in Dortmund, Germany on January 23rd, 2024.

The Market Intelligence Seminar was designed to give Future Electronics' customers first-hand insights into the current electronic components market and supply landscape.

The seminar was moderated by Can Pollok, Branch Manager at the Dortmund office. Presentations were made by executives from [top companies in the industry](#) such as Onsemi, Littelfuse, Nexperia, and Vishay. The presentations centred around lead-time development, component pricing, supplier investments, and market development.

[Future Electronics is thankful](#) to all who attended the Market Intelligence Seminar and to all the presenters. The Company hosts seminars and trainings worldwide to help its clients thrive in the ever-evolving and fast-paced electronics industry.
