

California Mesothelioma Victims Center Urges the Family of a Auto-Truck Repair Person with Mesothelioma in Los Angeles-Southern California to Call LA Based Attorney Andy Waters of Waters & Kraus About Compensation

LOS ANGELES , CALIFORNIA , USA, February 22, 2024 /EINPresswire.com/ -- According to the California Mesothelioma Victims Center, "We are urging the family of a current or former auto-truck repair person who has just been diagnosed with mesothelioma anywhere in Los Angeles, Orange, Riverside, San Diego or Ventura County to please call LA based attorney Andy Waters of Waters & Kraus anytime at 866-714-6466. Andy Waters is not only one of the leading mesothelioma attorneys in California-he is also one of the nation's top legal experts when it comes to compensation for this rare cancer caused by asbestos exposure.

"Auto-Truck Mechanics frequently had daily exposure to asbestos before 1983-and the sad thing is-people like this frequently underestimate the value of their compensation claim if they have developed mesothelioma. Financial compensation for a person like this might be millions of dollars-especially if they specialized in brake repairs-replacements, transmission repairs and or engine rebuilds as attorney Andy Waters of Waters & Kraus is always happy to discuss. If your loved one has just been diagnosed with mesothelioma anywhere in Southern California-and they were an auto-truck mechanic-please call attorney Andy Waters of Waters & Kraus at 866-714-6466. We think you will be glad you did." <https://WatersKraus.Com>
