Academy Leadership and Strategy:

The academy is spearheaded by Kim Hoang, CEO of Marketin247, who brings over 15 years of experience in business and economic analysis. Kim Hoang is renowned for developing the Swing Option Strategy, utilizing credit spreads, iron condors, and butterflies for investment optimization and risk minimization.

Commitment to Student Success:

In line with its dedication to student success, "Pho Wall Tai Nha - WallStreet At Home" offers a tuition return guarantee for two-thirds of its courses, highlighting the quality and efficacy of its educational offerings.

Non-Profit Approach for Community Support:

Operating as a non-profit entity, the academy's primary goal is to assist the Vietnamese American trading community, inspired by the numerous requests for help received by Kim Hoang from traders facing significant losses in the US stock market.

Aim of the Academy:

"Pho Wall Tai Nha - WallStreet At Home" aspires to build a community of well-informed and skilled Vietnamese American traders, empowering them with the necessary knowledge, strategies, and confidence to excel in the stock market.
