*Ultipa forms strategic partnership with Peers Consulting covering Americas markets.*

PLEASANTON, CALIFORNIA, UNITED STATES, March 5, 2024

/EINPresswire.com/ -- [Ultipa](#), a leading provider of graph database solutions, is pleased to announce a strategic partnership with [Peers Consulting & Technology](#), a South American based company offering a broad spectrum of Business and Technology consulting services, including data consulting and implementation. This collaboration marks a significant milestone in Ultipa's global expansion, as Peers will be a strategic graph partner moving forward.

Peers Consulting partnership

This partnership will enable organizations across the globe to harness the power of graph databases for their data management and analytics needs. Peers, known for its commitment to delivering innovative and high-quality data solutions, is well-positioned to facilitate the adoption of Ultipa Graph among a wide range of industries and businesses.

Scott Whalen, Director of Sales at Ultipa, expressed his enthusiasm about the partnership, stating, "Peers has a team of incredible minds. Their graph expertise will bring value to the world in a way that hasn't been perceived as being possible until now."

Bruno Horta, Head of Data Science at Peers, stated "Ultipa's cutting-edge technology will empower our already existing use-cases and enable the design of new applications."

The partnership between Ultipa and Peers will bring extraordinary value to a market starving for innovation.
