“

Kids battling cancer lose their childhoods and need our help in restoring the joy and happiness that is lost with this tragic diagnosis. With the public's help, we CAN make a difference for these kids”

*Silvia Dominguez Vanni, Co-Founder, Executive Director*

Recognizing the importance of play in helping children endure painful and torturous treatments, Mystic Force Foundation goes above and beyond to restore some of the childhood that these kids lose during their battles with cancer. The SuperHero Day event exemplifies the Foundation's commitment to giving children the opportunity to smile, laugh, and enjoy every day as much as possible. Each month at the Heroes Hangout is full of exciting themed parties and celebrations made possible by donations and contributions from the community.

Mystic Force Foundation extends its heartfelt gratitude to Law Enforcement and Fire Departments from across South

Florida, as well as to Broward Batman and the United SuperHeroes for Kids, for their continued partnership in this very important mission.

The Mystic Force Foundation was founded in 2008 by Dr. Steven & Silvia Vanni after their then 4-year-old son, Salvatore, was diagnosed with Stage IV Neuroblastoma Cancer. Salvatore lost his battle with cancer in 2011 but his legacy continues to change the lives of all children battling this devastating disease. This year is the Foundation's 16-year Anniversary of raising awareness and desperately needed funds for Childhood Cancer Research, as well as advocacy in Washington,

DC, granting 'Wishes', delivering toys, holding in-patient hospital parties, and bringing Hope, Joy, Happiness and Smiles to the littlest Heroes battling Childhood Cancer. The Foundation is also celebrating the 6 year Anniversary of the Heroes Hangout, the country's first Childhood Cancer Haven of it's kind dedicated solely to children battling cancer located in North Miami Beach, Florida. The Heroes Hangout serves children from all over the world being treated in hospitals throughout South Florida, it is free to all families battling cancer, and is 100% community supported.

The Foundation is currently looking for a new location to house the Heroes Hangout as the space they are currently in has been sold and will soon be demolished. Rent for the Heroes Hangout has been generously donated for the last 6 years. They ask for the public's help in finding a new magical location to continue being a haven of Love, Hope, Happiness and Security for the families that are tragically in the fight of their lives.
