

# Fasoo Empowers JBSV with Data-Centric Audit and Protection Solutions, Elevating Privacy Compliance Strategies

SEOUL, SOUTH KOREA, March 11, 2024 /EINPresswire.com/ -- [Fasoo](#), a K-Pop star in the data-centric security space, proudly announces its collaboration with [JB Securities VN \(JBSV\)](#) as it embarks on a transformative journey to enhance data protection and privacy compliance strategies.

"As data breaches become increasingly sophisticated, organizations in the BFSI (banking, financial services and insurance) sector must prioritize robust security measures and compliance strategies," said Jason Sohn, Executive Managing Director at Fasoo. "We are delighted to support JBSV, differentiating them through cutting-edge data-centric security solutions and elevating their privacy compliance strategies to new heights."

In an era where data security is paramount, JBSV has recognized the need to fortify its defenses against evolving cyber threats while prioritizing stringent privacy compliance. Fasoo's advanced data-centric security solutions have been strategically implemented to empower JBSV to safeguard sensitive information, differentiating them as a frontrunner in the financial industry.

Key highlights of Fasoo's collaboration with JBSV include:

**Data-Centric Security Excellence:** JBSV is leveraging Fasoo's state-of-the-art data-centric security solutions, seamlessly integrating them into their existing infrastructure. By adopting Fasoo's technology, JBSV gains granular control over data, ensuring that critical information is protected

Fasoo - a leader in data-centric security

JB Securities Vietnam

at every stage of its lifecycle.

**Differentiation Through Innovation:** JBSV is taking bold strides towards differentiation by embracing Fasoo's innovative security solutions. Implementing data classification, persistent encryption, and file-centric access controls ensures that sensitive data is shielded from unauthorized access and potential breaches.

**Privacy Compliance Reinforcement:** JBSV recognizes the importance of adhering to privacy regulations and standards. Fasoo's solutions are pivotal in enhancing JBSV's privacy compliance strategies, ensuring they meet and exceed industry requirements. This commitment to privacy not only safeguards customer trust but also positions JBSV as a leader in regulatory compliance.

**Comprehensive Risk Management:** Fasoo's data-centric security solutions provide JBSV with a holistic approach to risk management. By continuously monitoring and securing data throughout its lifecycle, JBSV can proactively identify and mitigate potential risks, ensuring its cybersecurity posture's resilience.

**About Fasoo:**

Fasoo provides comprehensive data-centric security solutions that enable organizations to protect, control, and manage their sensitive information. With a focus on innovation and excellence, Fasoo empowers businesses across industries to stay ahead of evolving cyber threats and regulatory requirements. For more information about Fasoo's innovative solutions, visit <https://en.fasoo.com/strategies/enterprise-drm/>.

**About JBSV:**

JBSV focuses on providing not only securities services, such as securities brokerage and margin lending, but also a comprehensive range of investment banking advisory services, including M&A, debt and equity capital market solutions, and project finance. JBSV plans to continuously expand its businesses to wealth management for individual and institutional clients, aiming to better serve our clients in meeting their broad financial needs.
