

# Sunseeker Takes Lawn Care to the Next Level with a New Robotic Lawnmower

*Sunseeker will introduce a new cutting-edge wireless mower, Orion X7, designed for diverse lawn maintenance.*

CHARLOTTE, US, March 8, 2024

[/EINPresswire.com/](https://EINPresswire.com/) -- When spring arrives, navigating rough terrain and complex lawns can be quite daunting. However, Sunseeker will be introducing a new state-of-the-art wireless mower, the Orion X7, designed for optimal lawn care. This innovation will transform the way homeowners maintain their lawns. In celebration of International Women's Day, this marvel will also empower women to embrace joy and ease with hands-free mowing.

**SUNSEEKER**®

"With its advanced features and unparalleled performance, this innovation is set to provide the ultimate solution for diverse lawns." Justin Novosel, the EVP and GM of North American Operations for Sunseeker US, shared his excitement about the new product.

This wireless robotic lawnmower represents a significant advancement in the industry, offering our customers unparalleled precision and convenience. It is equipped with state-of-the-art technology to ensure precise navigation, obstacle avoidance and boundary optimization, allowing users to sit back and relax while their lawn is being cared for.

To celebrate the launch of the new product, Sunseeker will soon be offering a special pre-sale promotion. Early birds will receive a surprise discount on their purchases, making this cutting-edge technology even more accessible.

In addition to the pre-sale promotion, Sunseeker will host an offline event to showcase the new wireless robotic lawnmower to top-tier media, influencers, and TV personalities. This event will

celebrate innovation and technology in lawn care and will highlight how the product can revolutionize how homeowners maintain their outdoor spaces.
