

# Beauty Unveiled: Dr. Angela Sturm Explores the Human Side of Plastic Surgery with New Podcast

HOUSTON, TEXAS, UNITED STATES, March 12, 2024 /EINPresswire.com/ --

Dr. Angela Sturm, a double board-certified facial plastic surgeon, has unveiled an engaging podcast series titled "[Beauty Unveiled](#)." In this podcast, she will dive into the captivating backgrounds and narratives of plastic surgeons, shedding light on their journeys and expertise in the field of [plastic surgery](#). With a focus on addressing common questions and demystifying plastic surgery, the podcast aims to provide valuable insights into the world of facial aesthetics.

A trailblazer in her field, [Dr. Sturm's](#) illustrious career is marked by exceptional achievements.

Graduating from Baylor College of Medicine, she garnered accolades for surgical excellence during her medical training, including prestigious awards like the Outstanding Otolaryngology Medical Student Award and the top medical student research prize from the National Academy of Otolaryngology. Dr. Sturm's contributions extend beyond clinical practice; she has co-authored numerous medical journal articles on head and neck surgical techniques and facial plastic surgery.

Driven by a passion for understanding people's stories and helping them achieve their desired self-image, Dr. Sturm's podcast promises to be an insightful exploration of the human side of plastic surgery. Drawing from her rich experience and compassionate approach to patient care, Dr. Sturm aims to demystify common misconceptions surrounding plastic surgery while offering a platform for sharing compelling narratives within the medical community.

Double board certified plastic surgeon Dr. Angela Sturm, host of the new podcast "Beauty Unveiled."

"Unveil your beauty, because it's there and you're already beautiful. Just how can you let everyone see exactly who that person is? And that ties into some of the other reasons why I wanted to do this is be able to help people see themselves more and be more themselves, and it be more than just medicine, be able to help them interact with their family members, their partners, their job, everything in a more positive way," said Dr. Sturm in episode one of the podcast series.

Listeners can expect a diverse range of topics in "Beauty Unveiled," from behind-the-scenes insights into plastic surgery procedures to personal stories that have shaped the careers of medical professionals. Dr. Sturm's dedication to empowering individuals through knowledge and understanding shines through in this podcast series.
