

Enuit LLC Celebrates Triple Win at Chartis Energy50 Awards

HOUSTON, TEXAS, UNITED STATES OF AMERICA, March 19, 2024

/EINPresswire.com/ -- [Enuit](#) LLC, a leading provider of energy and commodities trading and risk management (ETRM/CTRM) software, is proud to announce its outstanding achievement at the recent Chartis Energy50 Awards, where the company placed 15th overall and secured top honors in three prestigious categories: [Integrated CTRM Platform](#), Renewable Fuels, and Regional Leadership in APAC.

The Chartis Energy50 Awards recognize the world's leading companies in energy risk management, highlighting those who drive innovation and excellence in the industry.

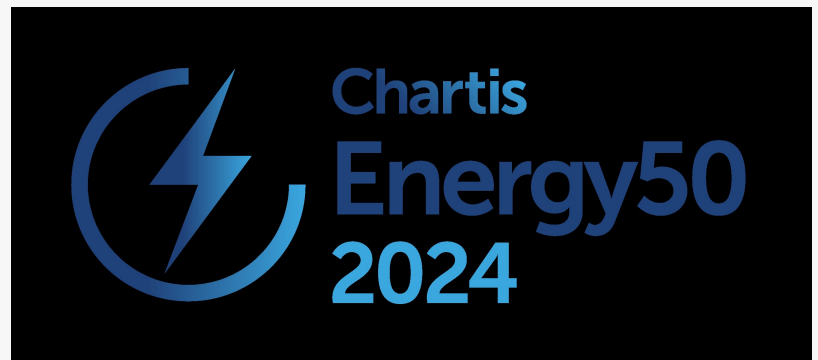

Enuit's flagship solution, Entrade, was specifically recognized for its comprehensive capabilities in managing the complex needs of the energy and commodities markets, including its pioneering efforts in the renewable fuels sector.

COO Ganesh Natarajan met with Mark Feeley, Global Brand Director for Chartis, to discuss Enuit's achievements and the evolving landscape of customer lifecycle management in risk management. The discussion highlighted the industry's shift towards specialized workflows covering onboarding, monitoring, and off-boarding, beyond the traditional compliance focus, and underscored the importance of flexible, cloud-based solutions and AI strategies in today's market.

"This recognition from Chartis is a testament to our team's hard work, our innovative technology, and our commitment to supporting our clients through their entire lifecycle with our solutions," said Natarajan. "We are particularly thrilled to lead in the renewable fuels category, which is at the heart of the global shift towards sustainable energy."
