foundation of family ties, strengthening relationships, and discovering the self. It talks about the incredible journey of newfound family and how much a person can change for someone they love.

work. In her own words, "I take inspiration from Shakespearean tragedies, Edgar Allen Poe,

Kaye Joans, Author

Steven King, Vladimr Nabakov and Ken Kesey as foundation for the webs I weave. I find this naturally ethereal beauty in what comes out of dark and brutal situations. It changes you; maybe for worse, maybe for the better. Even on the brightest days, there are always shadows to be found. There's a place for sunshine and rainbows, I just find it more comfortable to brave the darkness and be as unflinching as possible." This makes her book even more compelling as it exhibits the human intricacies, intrapersonal dynamics, and other complexities; in areas that are buoyant, light, as well as areas that are agonizing, and pitch-black melancholy, lies the quintessence of being human.

Kaye Joans' "The Essex County Saga: Whatever Happened to Vida Boheme?", offers thought-provoking themes that are most likely to appeal to a diverse audience. Essentially, it caters to the universality of emotions, as the author wants her readers to have the connection of vulnerability

and validation that their emotions are legitimate and shared by others. Joans aims for her readers to find inspiration in the characters that she intentionally made them to be.
