Exhibition Highlights: Known for featuring the newest electronic products and technologies, the ICEE RUSSIA Show is an event where CABLETIME will introduce ground-breaking 8K products, affirming the company's role as a leader in global technology.

### Featured Products at the Exhibitions

CABLETIME will spotlight several pioneering products at both expos, such as:

[8K USB 4 Type C Cable](#) (CT-USB4-ZG): This exemplifies swift data transfer, with a 40Gbps transmission rate and 240W charging capability, efficiently managing data-heavy tasks and ensuring supreme quality for 8K content.

[8K 60Hz Bidirectional USB Type-C To DisplayPort Cable](#) (CT-CBD8K-ZG): Facilitating signal transmission in both directions and supporting resolutions up to 8K/60Hz, this cable is ideal for those requiring top-tier visual performance.

Premium [8K HDMI 2.1 Cable](#) (CT-HD8K-AG): Precision-engineered for optimal signal integrity with gold-plated connectors and a sturdy aluminum casing, this cable is crafted for an unparalleled 8K viewing experience.

15-in-1 8K USB-C Multiport Docking Station (CT-DK142-AG): A marvel in connectivity options,

supporting dual HDMI 8K30Hz and DP 8K30Hz outputs, perfect for those needing a comprehensive and streamlined multi-screen workspace.

## Future Plans

CABLETIME's path forward includes persistent innovation and expansion. Post-exhibition, the company plans to broaden its product spectrum and explore new technological domains. Emphasizing research and development, the company's aim is to maintain its lead in the 3C digital accessories market.

## Conclusion

CABLETIME looks forward to engaging with professionals, collaborators, and clientele at the GLOBAL SOURCE Fair and the ICEE RUSSIA Show. The company's goal transcends product presentation, focusing on its continuous provision of superior digital solutions that enhance customer lifestyles. Inviting participation in this progressive trajectory, CABLETIME envisions a future where technological potential is fully realized, promising an era of dazzling advancements in the 3C digital accessories realm.
