

JCB Designscares Highlights Key Insights to Enhance New Hampshire Home Value and Marketability in 2024

JCB Designscares leverages NAHB's 2024 insights to boost NH home value with top-tier landscaping and outdoor living spaces.

NEWPORT, NEW HAMPSHIRE, USA, April 10, 2024 /EINPresswire.com/ -- In response to the National Association of Home Builders' (NAHB) latest report released April 5th, "What Home Buyers Really Want, 2024 Edition," JCB Designscares LLC, a premier landscaping company in the Sunapee Region, [offers its expert take on the findings](#). The report, which highlights

the growing demand for outdoor living spaces and smart, energy-efficient home features, aligns with JCB Designscares' mission to enhance the beauty and functionality of outdoor environments while providing homeowners and builders a positive ROI.

Outdoor living spaces

“

Our goal is to not only meet but exceed the expectations of homeowners looking to improve their property's appeal and market value.”

Jim Anderson, owner of JCB Designscares LLC.

According to the NAHB study, features such as patios, exterior lighting, and well-designed landscaping are among the top desires of home buyers in 2024, with a significant emphasis on creating inviting outdoor living spaces. JCB Designscares LLC supports these findings with over 20 years of experience in transforming outdoor areas into captivating and functional extensions of the home.

“Recognizing the value that a well-executed patio or garden can add to a home, we at JCB Designscares LLC are dedicated to bringing these elements to life for our clients,” said Jim Anderson, owner of JCB Designscares LLC. “Our goal is to not only meet but exceed the expectations of homeowners looking to improve their property's appeal and market value.”

For homeowners interested in leveraging the insights from the "What Home Buyers Really Want, 2024 Edition" report, [JCB Designscares LLC](#) offers a range of services from landscape installation to creating bespoke outdoor living area.
