

Sober in Cyber to Host “Rockin' Mocktails” – An Alcohol-Free Networking Event at RSA Conference

Innovative non-profit organization announces its unique alcohol-free event during the RSA Conference, promoting inclusive and healthy networking opportunities

SAN FRANCISCO, CA, U.S.A., April 17, 2024 /EINPresswire.com/ -- The nonprofit group [Sober in Cyber](#) has announced it will be hosting Rockin' Mocktails at RSAC, an alcohol-free networking event set to coincide with the RSA Conference. The event aspires to foster professional connections while providing an environment that supports sobriety, wellness, and inclusive networking.

Sober in Cyber

Scheduled for May 07, 2024, from 6 PM to 8 PM at 55 Second Street, this event aims to break conventional networking stereotypes by offering a creative and pressure-free space for cybersecurity professionals.

The evening will feature a lineup of custom-crafted mocktails designed by the expert mixologists at [Better Bar](#), alongside rock & roll-themed craft activities. With the venue situated less than a ten-minute walk from the Moscone Center, it provides the perfect unwind spot after a busy day at the conference.

"Rockin' Mocktails isn't just about good fun and networking; it's a demonstration to our peers in the cybersecurity community that meaningful connections can thrive beyond the bounds of alcohol-centric events," shares Jen VanAntwerp, Founder of Sober in Cyber. "Our goal is to challenge the status quo and introduce a refreshing, joyful, and inclusive way to connect with your peers in the cybersecurity industry".

This community-focused event invites RSA attendees to rally around the significant cause that is the heart of Sober in Cyber – eliminating the social barrier to networking for those who choose to abstain from alcohol. Whether making this choice for health, religious, or personal reasons, all attendees are welcome.

Additionally, sponsorship opportunities are available, with benefits that align with corporate social responsibility objectives and are fully tax-deductible.
